FOR CONSULTING

No Fees .. Without Recovery
NO FEES .. WITHOUT RECOVERY

Founders

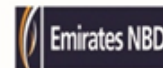

Mr. H. Farouk Ebeid

Despite the differences in collection methods across companies, agencies, consumer and business customers, *Mr. Ebeid* has 10+ years of collection and Follow up business experience :

- from 2005 to 2016 working with 95% of Emirati Banks
- from 2011 to 2016 working with the largest Saudi Banks (Saudi British Bank SABB – SAMBA Financial Group)
- Former Branch manager of Al-Wasl International group for consulting from 2009 to 2016.
- Expertise in large commercial collection claims, The ability to take a custom approach on each claim , Industry recognition for excellence
- Trained the strongest team for collection and follow up and customer skip tracing in their home countries
- Built an Elite tracing team locating customer's whereabouts for credit reporting purposes and debt settlement agreements in the least time possible.
- Generalizing Security and Confidentiality programs
- Here are *some* of the banks who benefited from his expertise:

Emirati Banks:

RAKBANK

Egyptian Banks:

Mr. Nabil El- Akkary

In some organizations the top financial manager also oversees the administrative function of the organization, *Mr. Akkary* is a highly accomplished finance executive for over 20 years since 1992 with excellence reducing costs, increasing efficiency and stimulating bottom line growth for startup, midsize, and multimillion pounds organizations, offers rare blend of finance and accounting leadership backed up with business development expertise. Proven record of leading financial reconstructing and reorganizations in challenging settings. Coordinates effectively with cross-functional teams. Oversee administrative functions as well as facilities to ensure efficient and consistent operations as the organization scales. His experience has been formed through:

1. His practical life started in the field of marketing in AN group for marketing "Places in Egypt" Magazine from 1992 to 1995.
2. During year 1993 to 1997, he worked in Alexandria Electricity Distribution Co. to pursue collections and analyze the causes and methods of low achievement and how to develop to reach the highest collection rates.
3. Working in Abu Qir Fertilizers Co, during the years 1997 through 2016 in different departments has refined his experience:
 - ❑ Accounting controller: Ensuring the application of the accounting policies according to the international and Egyptian Accounting standards.
 - ❑ Sales and Revenue controller : Customer follow up and their collections, reporting of sales rates according to the geographical distribution throughout Egypt.

- ❑ Tax control department Manager: His work in the department is concerned with the application of the binding laws for the company, how to apply them in an optimum way to get the best performance towards the state without prejudice to the rights of the facility. This made him gain the experience of negotiation and ending disputes with the government agencies and in the same time maintaining good relationships with them. Working in this line of work benefited him through attending numerous training courses, multiple studies, attending conferences.
 - ❑ Follow up and Statistics department Manager: Follow s up the company's performance and assess the extent of their commitment to achieving the objectives and analyzing the causes of deviation from the planned route and to provide adequate analysis on the performance and evaluation clearly to the decision-maker.
4. During 2008 to 2016, worked as the financial and Administrative Consultant for MENA Group (Mena Country Egypt – Mena Arabia KSA – Mena Adler Qatar). In that time, financial and administrative systems were established and training of the active staff to ensure the efficiency of operations.

About us

DEBT

RECOVERY

Debt Collection

Here at Recovery International we specialize in utilizing our sources for the debt collection function of Bank loans in the least time possible. Depending on our highly skilled Debt Recovery Team has a wealth of experience in debt recovery work (bad debts recovery, Negotiations, Follow up, and pressuring the debtors and skip tracing in the least time possible challenging any other agency or corporate by reducing 25% of their time scheduled to recover debts).

We stand out among other agency with our skip tracing team having their skills and expertise throughout the region as well as their over the top private searching techniques, that is why they are always on call to follow up and locate the whereabouts of fleeing debtors inside Egypt and those who do not respond to communication or with missing phone numbers by direct field visits.

Tracing debtors is done through out Egypt, In upper Egypt and other provinces within 3 days only and in Alexandria it takes less than 24 hours that is why Field Visits are considered crucial and essential in the process of follow up and debt recovery for debtors inside Egypt.

As for fleeing debtors outside Egypt, Recovery International is well aware that abiding laws differ from one country to another and that the debtor who leaves the country might not be obliged to the Egyptian law.

In Those sort of cases, our international efficiency is manifested by debt collection through the debtors references given to us by our clients to confirm the presence of the debtor within the legal territory or not.

Clients have utterly the freedom to recover cases and documents in our possession if we did not fulfill our time schedule.

We certainly are goal oriented and will always have our eyes on maximizing debt recovery for our clients and increasing their profits will remain our primary concern.

Skip tracing Services

Some of defaulting debtors seeking to change their place of residence or leave the country or evade creditors and be no where to be found.

Here comes the role of our tracing and prosecuting fugitives team who are highly equipped and trained with the largest database which they are well coached on the tracking mechanisms to finally reach their goals of settlements of any form , friendly or legally.

Investigation and query Services

Investigation and query service enabled us help our clients to reduce their losses and minimize their risks and fact findings, increasing their profits helping them to provide credit facilities to individuals and corporates who earned their trust according to the information and data provided. Our highly trained investigators are well aware with dealing with cases.

If the customer is inside Egypt, investigations and queries about the customer place of residence and place of work according to the data provided by the customer when applying to the credit facility to make sure of it's accurateness.

If the customer is outside Egypt, Our various and private sources investigates the place of residence and first degree relatives.

MARKETING

Marketing Services

We offer key marketing trends in the banking industry with all the retail banking products.

Evaluating OCA (outside collection agency)

We can accurately assess your collection agency's performance determining if the collection and follow up is going to be high on their list.

Continuous monitoring and follow-up of the agents through regular visits and continuing to detect the speed of dealing with debtors and to ensure the absolute integrity of the agents and making sure they do not fall under any material or moral lure giving the debtor the chance to evade payments or escape the country hence the difficulty of locating them, as time is of the essence.

We help banks and corporates to maximize their benefits from the OCA and help collection agencies to tweak their week points to maintain the highest task accomplishment and all in favor of our clients.

No Fees ... Without Recovery

Our vision is to be the first choice for clients seeking quality debt collection service.

We offer the best quality management for bad debts in the least time possible and we do all what it takes to achieve our target helping our clients to maximize their collected debts.

We use all our sources to achieve the target, but we only charge when debts are recovered and settlements are made.

We collect .. Clients recover .. Customer settle ..It's a win-win deal.
